2006 CASAS Functional Writing Assessment: Writing Recertification

In order to maintain CASAS Functional Writing Assessment Certified Local Scorer (CLS) status, all CLSs must pass a Recertification Packet by September 1 of the year in which their certification expires.

- Certified Local Scorers (CLS) **MUST** sign up for a 3-hour session for certification. Since we will not be reporting forms' scores next year, **Scorers will only have to recertify in pictures.**
- Pre-registration is **mandatory** since a **practice** packet **MUST** be completed before the training date. Certification packets will be done at the trainings. **There will not be a re-certification packet done ahead of time.**
- If a CLS cannot make any of the three Recertification Trainings in May or June, he/she will no longer be qualified to be a CLS and must repeat the 9-hour training and the Certification process to be a CLS in the future.
- All Recertification attempts **MUST** be completed no later than September 1 of the year certification expires. **Please plan ahead!**
