Parental Consent

I give my child permission to apply for enrollment in Eastern Connecticut State University's residential program, Summer Institute for Future Teachers (SIFT). I understand there is a fee of \$200 for the SIFT program. I am aware that acceptance of my child to a program is subject to the Selection Committee. I further agree that if my child is accepted, he/she will conform to the program rules. Failure to observe these rules will result in immediate dismissal at the expense of the parent/guardian. In addition, I realize that, since this course offers college credits for successful completion, that instruction, homework, assignments, presentations, etc. will be at the level of an introductory college-level course.
