CREC's Magnet Schools and division of Data Analysis, Research and Technology are excited to announce the second annual Digital Learning Camp. CREC's Digital Learning Camp will provide a holistic approach to using technology to support student learning. Topics will include:

- Flipped learning
- Learning management systems
- Google Apps for education
- Gamification
- Teacher Entrepreneurship

Have a topic you'd like to learn more about? Want to share your knowledge on a particular concept? We will help you find other people with similar interests, provide meeting space, and facilitate conversations. Please visit [www.crec.org/dlc](http://www.crec.org/dlc) for more information on the unconference format.

Feel free to bring your own device. Wifi will be available.
