CREC's Language Arts Council provides Language Arts teachers in the CREC region opportunities to share best practices and engage in new thinking about literacy instruction. Kindergarten to grade 12 Language Arts educators including teachers, literacy coaches, literacy coordinators, directors and department heads are encouraged to attend the meetings. Input from participants regarding topic selections will be encouraged in order to best meet the needs of the council membership.

All sessions are provided at no cost to CREC districts. Registration is available online.
