Click on Events and register on the applicable date.

2017-2018
Mathematics Council

CREC's Mathematics Council provides new thinking about mathematics instruction for K-12 math teachers, coaches, and district leaders in an open forum type setting. Agenda topics are determined by district participants in order to serve the group's needs. Participants can attend one, several, or all meetings.

All sessions are provided at no cost to CREC districts. Registration is available online.

For additional information, contact Sue Renehan at srenehan@crec.org.

On the day of a professional development event, please check the CREC website for any weather delay or cancellation notices.
