CREC region social studies teachers and district coordinators are invited to attend council meetings to share best practices, engage in new thinking about social studies instruction, and proactively respond to the instructional shifts demanded by the Connecticut Elementary and Secondary Social Studies Frameworks, the Connecticut Core Standards, the SAT, and Smarter Balanced Assessments.

In addition, input from participants regarding additional topic selections will be encouraged in order to best meet the needs of the council membership. Some sessions will be held off site at local historical or museum sites, in an effort to increase connections with local organizations and build capacity of the council members.

All sessions are provided at no cost to CREC districts.

Registration is available online.
