

May 2009

Dear Parents and Students,

Reading and study skills, both vital tools, to help students achieve and be successful frequently need strengthening and developing as students meet the increasing demands of high school. As a part of an effort to help students improve these skills, we will cooperate again with the Capitol Region Education Council (CREC) to offer **The Learner's Edge** SM to students in our area.

This unique two-day program, described in the enclosed brochure, is designed to help high school students take full advantage of their education. **The Learner's Edge** SM is designed to help competent students become better. It does not meet the needs of a remedial program.

The Learner's Edge SM will be offered at the following dates and locations:

- **July 14&15 at Enfield High School (register by July 7)**
- **July 20&21 at Smith Middle School, Glastonbury (register by July 13)**
- **July 28&29 at Metropolitan Learning Center, Bloomfield (register by July 21)**
- **August 13&14 at Newington High School (register by August 6)**

All classes run from 9:00 AM until 3:00 PM. The \$185 charge covers the instruction, a 110-page textbook, all materials needed for the course, and a progress report to parents. Lunch is not included and will not be available, so students should bring a bag lunch with them each day of the session. Students needing special accommodations must contact CREC at least one week prior to the workshops.

Students must be pre-registered to attend. Registrations and payments will not be accepted on the day of the workshop. You will receive a confirmation letter when you register on line. Refunds are not given for cancellations made fewer than ten days prior to the start of the workshop.

If you have any questions, please contact Margaret Lacey at CREC, (860) 524-4049 or mlacey@crec.org.

Sincerely,

Register easily on line at www.learningbuilders.com
