## *CREC is pleased to offer - A New Online Learning Option for Students*

**CREC-TABS is pleased to be able to offer a new option for students in the Greater Hartford Region to help them meet their graduation requirements. The Virtual Learning Academy offers credit recovery courses that fit all learning styles for students in grades K-12. The program's easy structure and training provides greater flexibility for districts trying to meet the educational challenges of all of their students.**

### *Highlights of the Program:*

- **Annual student licenses can be purchased for \$400 per student. Students can take as many or as few classes as needed. There are no membership fees or minimum purchases.**
- **Training takes only a half day and is free to districts, their teachers and their dedicated "points of contact".**
- **Students are placed on the teachers' existing rosters. Schools do not need to provide release time for faculty to teach the classes. The classes are already created and available to take online.**
- **Minimal cost for class materials, and you get to keep them.**
- **Curriculum aligned with national standards is available in: Math, English, Social Studies, Science, Fine Arts, Business/ Technology, Foreign Language, ACT Prep and Student Leadership.**

### **VLA is perfect for:**

**Home Bound  
Expelled  
Drop-outs  
Special Needs  
At Risk  
Alternative Schools  
Incarcerated Youth  
Non-traditional Schedules  
Athletes (NCAA approved)**
