

# Are you faced with challenging issues and complex decisions?

## Consider a trained facilitator from CREC.

CREC's nationally certified facilitators can assist your district and community with:

- Board of education meetings or retreats
- Strategic planning and goal setting sessions
- Specific issue exploration and/or resolution (e.g., school restructuring, feasibility studies, long range facilities planning, school closings, school redistricting)
- Obtaining community input
- Information gathering and facilitating consensus building
- Needs assessment/program evaluations
