Contests for Students

Contests and competitions for the students may be considered for approval by the principal. The following criteria are to be considered in determining whether or not approval may be given:

1. The contest is educationally sound and worthy.
2. The contest is stimulating to the student and school and desirable for both.
3. The contest must not place an undue burden on the students, families, teachers, and the school.
4. The contest is not commercial or sectarian.
5. The contest will not take students from school unnecessarily.
6. For school contests, the list of approved contests published by the Connecticut Association of Schools should be consulted.
