

## **Community Relations**

### **State/Federal Government**

#### **Legislation**

The CREC Council, both directly and through its State Association, shall carry on an aggressive program to secure approval of laws and regulations which CREC feels to be in CREC's best interest of the school system through the state legislature. This policy shall include the pursuit of adequate and equitable sources of revenue to support free public schools.

#### **State and Federal Aid**

In order to bring the full benefit of state and federal aid programs to bear upon the needs of CREC, it is the policy of the Council to maintain close liaison with the State Department of Education and appropriate federal agencies, and to cooperate with them fully in providing improved educational services.

The Executive Director/designee will pursue all available grant sources to enhance the educational programs of the CREC system.
