

Administration

Principal/Program Director

Each Principal/Program Director, working under the direction of the Executive Director or his/her designee, shall be the chief administrator of his/her school or program. All personnel assigned to a building shall be directly responsible to the Principal/Program Director during the time they are working in his/her building.

The Principal/Program Director is charged with the supervision and direction of the staff and students assigned to his/her building, and with care of the school/program facility and its equipment. He/she shall see that rules and regulations of the district, the directives of its officers, and the guidelines for the instructional program are observed. Within the framework of the policies of the Council and the general rules and regulations set by the Executive Director, the Principal/Program Director may establish and enforce such rules as he/she deems advisable and necessary for the efficient operation of his/her school or program.

Policy adopted: May 18, 2005
