Operation and Maintenance of Plant

An effective program requires clean, healthful, safe, businesslike and attractive physical facilities. In order to carry out an efficient maintenance program, the custodians must receive the cooperation of the students, the staff and administrators.

Custodians shall have a daily work schedule in order to accomplish their part of the overall task. They shall be given directions on how to perform the various duties assigned to them. The Executive Director or designee shall supervise and ensure that all custodians are doing their share of the work to the best of their ability.
