## JOHN J. ALLISON JR. CREC POLARIS CENTER NEWS & NOTES

### WORKING TOGETHER

The "Working Together" program at Polaris uses community job sites to engage students in various work experiences. Sites include: Kay's Trucking, Aero Crane & Bear's Smokehouse. These companies allow our students to perform meaningful job tasks in the workplace, while engaging with employees & using a variety of tools and equipment. The goals of "Working Together" are to build stamina for tasks, develop professional character and to provide a meaningful, real life work experience for our students.

### THANK YOU EAST HARTFORD FIRST RESPONDERS!

On October 12th, Polaris hosted local police, fire & EMT members for "Breakfast On Us" as a way to say thanks for all they do for our school & community. Students enjoyed welcoming our guests, checking out the firetrucks & making thank you cards. A great time was had by all!
